## ENRICHMENTS TAKEN

"I have taken part in a wide range of activities including the Modern Foreign Languages Film Club, the Peer Mentoring Scheme and the Oxbridge group which helped me to prepare for my university application. I have also been a Zero Gravity Ambassador for New College Doncaster."

"The New College environment is very welcoming and the positivity of the teaching staff has made me look forward to coming to college everyday. The passion that the teachers hold for their subjects has motivated me for the past two years and not only have they taught me what to learn, but also how to learn."
