

9 February 2022

Dear Parents, Carers, and Students

Revision Evening 2022: Wednesday 2 March

We are approaching the start of our revision campaigns at college, which are designed to support the students in planning their exam preparation.

For students sitting external Summer exams, this revision campaign will begin on 28 February, following the half term break. The revision period will include the mock exams in March.

For Y12 students, the revision period for end of year Progression Exams will begin after the Easter break on 25 April.

This can be a difficult time for students and also the people supporting them at home. With this in mind, we are pleased to be able to offer the opportunity for you to visit the college on the evening of 2 March (6pm-7pm), to find out more about effective revision techniques in preparation for forthcoming exams. This will give you a greater understanding of the advice we will be offering to students during revision periods.

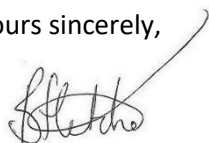

There will be a presentation by senior staff about the science behind how we learn, and the evidence-based strategies we recommend students use. There will also be advice on the best apps to aid organisation and memory recall. This will be followed by an opportunity for questions and further discussion with the presenters.

Please let us know whether you intend to come along, so that we can plan a suitable venue within the college: <https://forms.office.com/r/nAUnV5gMLr>

Please can I take this opportunity to remind you that we have a section on our website dedicated to study advice: <https://ncdoncaster.ac.uk/study-advice/>

We look forward to seeing you!

Yours sincerely,

Brendon Fletcher
Principal

Ceri Boyle
Assistant Principal
