

March 2022

Dear Parent/Carer,

We would like to draw your attention to a careers event planned in conjunction with The University of Hull.

**Tuesday 8<sup>th</sup> March 6pm - 7pm:  
Parents and Carers Information Evening, The University of Hull.**

We are delighted to offer you the opportunity to attend this event which has been put together by one of our partners, The University of Hull. The event is designed to offer you some information applicable to students who have applied to any university and the further deadlines coming up for our year 13 students, as well as practical advice on how to support your young person in the transition to university.

There will be information about student finance, as well as top tips about budgeting and moving away from home, followed by an opportunity to ask questions to the panel. Year 13 students will be receiving a tutorial on Student Finance week commencing 7<sup>th</sup> March, so this event is designed to support parents and carers through the process.

Whilst the event is primarily aimed at our year 13 students, we would like to extend this invitation to our year 12 students, as we feel it would give a valuable introduction to the process of moving onto higher education. The year 12 students will have lots more information provided in the remainder of year 12 about university and other options including apprenticeships that could be available to them.

In order to register to attend this event, please follow the link here:
