

RE: Futures Event – Wednesday 29th March

Dear Parent/Guardian,

On the 29th March we will be hosting a Futures event in college, and your student has been invited. This event aims to help those students in Year 13 who need additional support in their preparations for their next steps. The event will take place from 2-4pm, and will include the following:

- A talk from DN Colleges about the apprenticeship opportunities they have available
- A talk from Sheffield Hallam University about making a late university application
- Presentations on applying for job vacancies, writing CVs, and interview technique

As I am sure you will agree, this event presents a fantastic opportunity for them to prepare for their next steps. It is expected that they will attend this event and it would be greatly appreciated if you could strongly encourage them to take advantage of this extra support.

They have been asked to complete a form to confirm they will be attending. **If they have now secured a position, please remind them to complete the form with details so we can update our records.**
