Dear Parents / Carers

**Next Steps Evening for Parents and Carers of Year 12 Students**

Throughout the spring term, students were involved in a range of Tutorial sessions regarding their options after New College, and this will be touched upon again when students return after the half-term break.

After this, students will be in a position to begin their preparations for applications to university, apprenticeships and/or employment for when they have completed their studies with us in Summer 2024. Therefore, we would like to invite you to attend our Next Steps Information Evening for Parents and Carers of Year 12 students on **Thursday 11th May from 6.00 pm until 7.45 pm**.

The evening will be split into two sections, where the first section is focused on Higher Education and the second section is focused on Apprenticeships and/or Employment, as follows:
