- 6. Give three distribution channels that could be used by a business.
- 7. What is meant by the term 'e-commerce'.

#### 3.4 Decision making to improve operational performance

#### 3.4.1 Setting opertaionl objectives

- 1. Give the 6 different operationla objective sthat a business may set itself.
- 2. Give two internal and two influences on the operations objectives.

#### 3.4.2 Analysing operational performance

- 1. Give the formula for labour productivity.
- 2. Give the formula for unit costs.
- 3. Give the formula for capacity utilisation.

# 3.4.3 Making operational decision to improve performance: increasing efficiency and productivity

- 1. Define 'capacity'.
- 2. Define 'lean production'.
- 3. Give two benefits and two difficulties of using lean production.
- 4. What is meant by the optimal resource mix?
- 5. How can technology be used to improve operational performance?

#### 3.4.3 Making operational decision to improve performance: quality

- 1. What is meant by the term quality?
- 2. What is the difference between quality control and quality assurance?
- 3. Give two benefits of improving quality.
- 4. Give two consequences of poor quality.

# Year 12 into 13

# **3.4.5** Making operational decisions to improve performance: managing inventory and supply chains

- 1. Define the term 'mass customisation'.
- 2. Give three ways a business can manage supply to match demand.
- 3. Draw and fully label an inventory control chart below.
- 4. List 5 influences on the choice of supplier.
- 5. Define the term 'outsourcing'.

#### 3.5 Decision making to improve financial performance

#### 3.5.1 Setting financial objectives

- 1. Give 5 financial objectives a business may set itself.
- 2. Give two internal and external influences on the setting of financial objectives.

#### 3.5.2 Analysing financial performance

- 1. Define the term 'budget'.
- 2. Explain what a 'favourable variance' is.
- 3. Explain what an adverse variance is.
- 4. Draw and complete a cash flow forecast below.
- 5. Explain what a 'payable' is.
- 6. Explain what a 'receivable' is.
- 7. Draw and label a breakeven chart below.
- 8. What is the formula used to calculate breakeven output.
- 9. Give two benefits of using breakeven analysis.
- 10. Give two drawbacks of using breakeven analysis.

#### 3.5.3 Making financial decisions: sources of finance

- 1. Define and give one benefit and one drawbacks of 'debt factoring'.
- 2. Define and give one benefit and one drawbacks of 'overdrafts'.
- 3. Define and give one benefit and one drawbacks of 'retained profits'.
- 4. Define and give one benefit and one drawbacks of 'share capital'.
- 5. Define and give one benefit and one drawbacks of 'loans'.
- 6. Define and give one benefit and one drawbacks of 'venture capital'.

# <u>A-level Business: Summer Independent Learning</u> Year 12 into 13

#### 3.5.4 Making financial decisions: improve cash flow and profits

- 1. Give 4 ways that a business can improve its cash flow.
- 2. Give 4 ways that a business can improve its profits.

#### 3.6 Decision making to improve human resources decision making

#### 3.6.1 Setting operational objectives

- 1. Give 6 HR objectives that a business may set itself.
- 2. Give two internal and two external influences on the setting of HR objectives.

#### 3.6.2 Analysing human resource performance

- 1. Give the formula for labour turnover.
- 2. Give the formula for labour retention rates.
- 3. Give the formula for labour productivity.
- 4. Give the formula for labour turnover.
- 5. Give the formula for employee costs as a percentage of turnover.
- 6. Give the formula for labour cost per unit.

#### 3.6.3 Improving organisational design and human resource flow

- 1. Summarise the Hackman and Oldham model below.
- 2. Give the 5 influences on organisational design.
- 3. Define the term 'delegation'.
- 4. Explain the difference between centralisation and decentralisation.
- 5. Give 5 elements included in the human resource flow.

#### 3.6.4 Making human resources decisions: improving motivation and engagement

- 1. Give the 5 motivational theories that exist.
- 2. Give four financial methods of motivation.
- 3. Give two benefits of having a motivated workforce.

#### 3.6.5 Making human resource decisions: improving employer-employee relations

- 1. Explain what is meant by the term 'trade unions'.
- 2. Explain what is meant by the term 'work councils'.

# Year 12 into 13

# Task 2 – Potential Exam Questions. Choose <u>ONE</u> exam question from each specification area to answer in full.

#### 3.1. What is business?

- 1. Do you think that Business A was right to set up as a public limited company rather than a private limited company? Justify your view.
- 2. Do you think that shareholders have had the biggest influence on Business A's decision to expand in to global markets? Justify your view.

#### 3.2 Managers, leadership and decision making

- 1. Evaluate the possible implications of Manager A's change in leadership style using the Blake Mouton grid. Justify your view.
- 2. Evaluate the possible implications of Manager A's change in leadership style using the Tannenbaum Schmidt continuum. Justify your view.
- 3. Evaluate the value of Business A using decision trees to aid their decision making. Justify your view.

#### 3.3 Decision making to improve marketing performance

- 1 To what extent do you think that product is the most important element of Business A's marketing mix. Justify your view.
- 2 To what extent do you think that primary market research has helped Business A more than secondary market research? Justify your view.
- 3 To what extent do you think it was a good idea for Business A to change its positioning in the market? Justify your view.

# <u>A-level Business: Summer Independent Learning</u> <u>Year 12 into 13</u>

#### 3.4 Decision making to improve operational performance

- 1 To what extent do you think that adopting lean production is guaranteed to lead to higher profits. Justify your view.
- 2 Do you think that outsourcing was the best thing for Business A to do to help match their supply to demand? Justify your view.

#### 3.5 Decision making to improve financial performance

- *1* Evaluate the best ways for Business A to improve their current breakeven output.
- 2 Do you think that debt factoring is the best way for business A to improve their cash flow? Justify your view.
- 3 Do you think that Business A was right to use venture capital rather than a loan to fund the investment into new technology? Justify your view.

#### 3.6 Decision making to improve human resources decision making

- 1 To what extent should Business A be concerned about the rise in the company's unit labour costs? Justify your view.
- 2 To what extent will a decision to decentralise enable Business A to achieve its HR objectives? Justify your view.
- 3 To what extent is the decision by managers at Business A to use non-financial methods of motivation for its employees the best way to improve its competitiveness. Justify your view.

# <u>A-level Business: Summer Independent Learning</u> <u>Year 12 into 13</u>

#### Task 3 – Preview Work

Within the first couple of weeks of you returning as a year 13 student you will look at topic 3.7.3 assessing the existing internal position of a business to assess strengths and weaknesses – overall performance. In this topic you will look at different ways to assess Business performance. To help you do this you will be introduced to two new theories; Kaplan and Norton's Balanced Scorecard and Elkington's Triple Bottom line. In preparation for learning on this, please complete the following:

#### Kaplan and Norton's Balanced Scorecard

Watch the video tutorial on Kaplan and Norton and answer the questions that follow: <u>https://www.tutor2u.net/business/reference/business-strategy-kaplan-nortons-balanced- scorecard</u>

- 1. Draw and fully label Kaplan and Norton's Balanced Scorecard
- 2. What is the focus of the financial perspective?
- 3. Give an example of a KPI that may be used in regards to the financial perspective.
- 4. What is the focus of the customer perspective?
- 5. Give an example of a KPI that may be used in regards to the customer perspective.
- 6. What is the focus of the internal processes perspective?
- 7. Give an example of a KPI that may be used in regards to the internal processes perspective.
- 8. What is the focus of the organisational capacity perspective?
- 9. Give an example of a KPI that may be used in regards to the organisational capacity perspective.
- 10. Give two benefits associated with Kaplan and Norton's Balanced Scorecard.
- 11. Give two drawbacks associated with Kaplan and Norton's Balanced Scorecard.

# Year 12 into 13

#### **Elkington's Triple Bottom Line**

Watch the video tutorial on Elkington's Triple Bottom Line and answer the questions that follow: <u>https://www.tutor2u.net/business/reference/corporate-social-responsibility-elkingtons-triple-bottom-line</u>

- 1. Draw and fully label Elkington's Triple Bottom Line theory.
- 2. What does profit measure?
- 3. What does people measure?
- 4. What does planet measure?
- 5. Give two benefits associated with Elkington's Triple Bottom Line.
- 6. Give two drawbacks associated with Elkington's Triple Bottom Line.

# Year 12 into 13

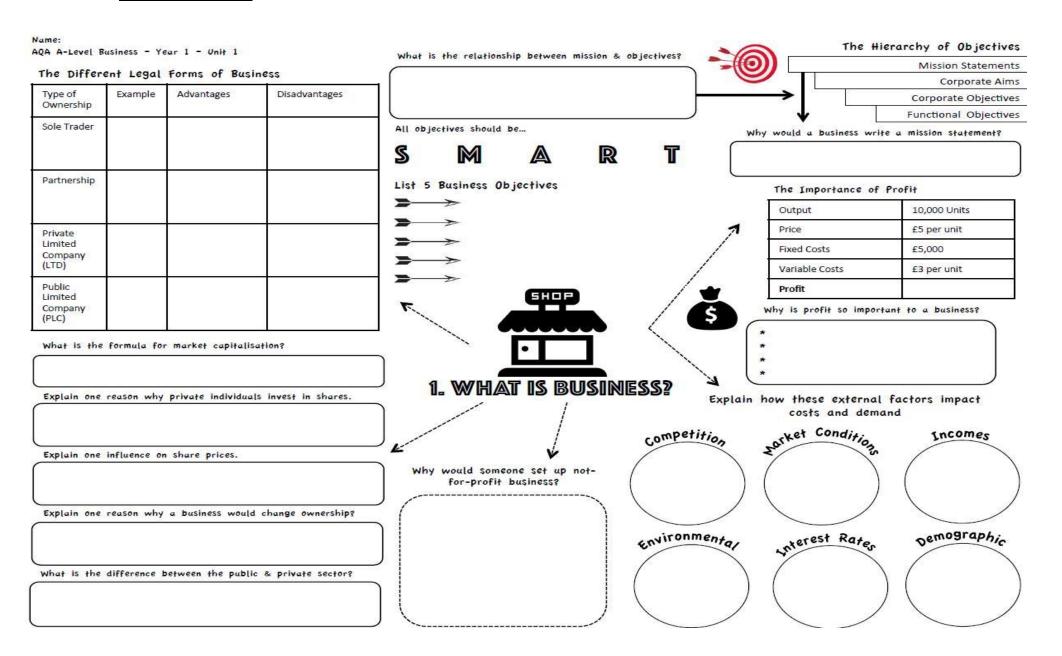

#### Part Two – Strongly Recommended Additional Content

The section below should take between 4 to 6 hours to complete

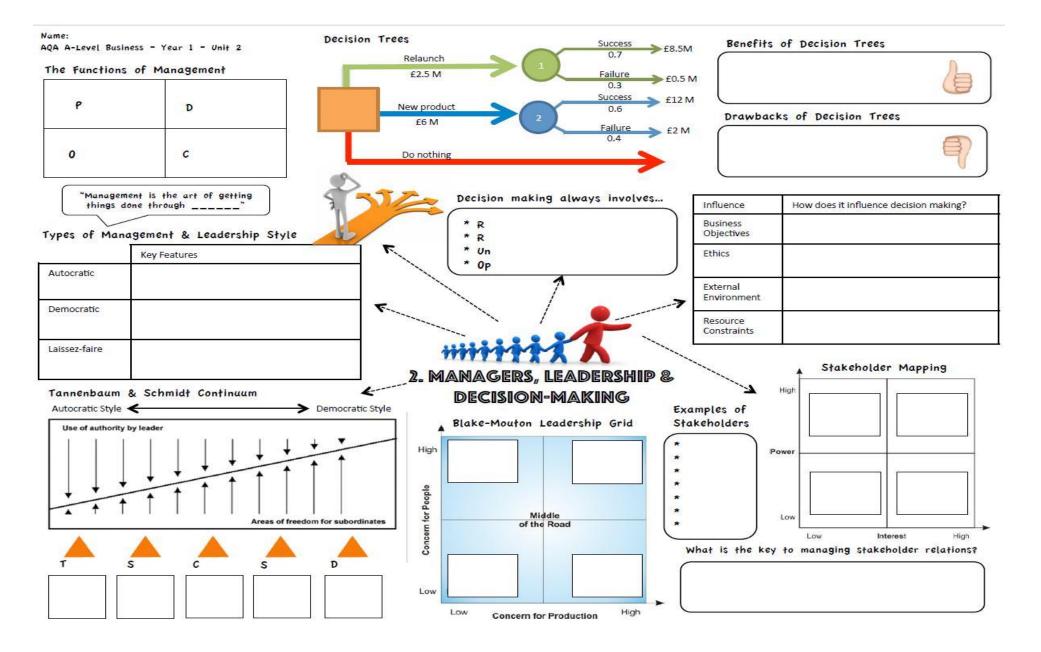

#### Task 1 – Mind Maps

Please complete the following six mind maps.

#### Task 3 – Exam Technique

"Are WH Smith the next name to disappear from the High Street?" 24 marks https://www.bbc.co.uk/news/business-44274654

You are to produce an essay that looks at the current state of WH Smith incorporating the following:

Paragraph 1	Define a key term relevant to the question
	<b>P</b> oint – answer the question directly with a knowledge point ( <i>To some extent, I think</i>
	WH Smith may be the next name to disappear from the High Street because)
	Evidence – use evidence from the article to support your knowledge point (In the article it states)
	<b>A</b> nalysis – develop 3 chains of logical argument to analyse why the point you have made will lead to the failure of WH Smith ( <i>this means therefore as a result</i> )
	Link back to question – summarise your point with evaluation whilst linking back to the question
Paragraph 3	<b>P</b> oint – answer the question directly with a knowledge point (However, to some extent I don't think WH Smith will be the next name to disappear from the High Street because)
	<b>E</b> vidence – use evidence from the article to support your knowledge point ( <i>In the article it states…</i> )

# <u>A-level Business: Summer Independent</u>

Analysis – develop 3 chains of logical argument to analyse why the point you have made will lead to the failure of WH Smith ( <i>this means therefore as a result</i> )
Link back to question – summarise your point with evaluation whilst linking back to the question
<b>A</b> nswer the question with a judgement ( <i>Overall, I think WH Smith will/will not be the next big name to disappear from the high street.</i> )
Justify judgement including a summary of your previous point and an additional point to sway your argument ( <i>I think this because I also think this because</i> )
It depends on – think about why your judgement may change/why others may disagree with you ( <i>However, whether they do survive or not may depend on</i> )
