

Game Design SIL (Summer Independent Learning) Year 12-13 2023

Your Summer Learning is split into two tasks. The first focuses on you considering your own progression in to the games industry and potential job opportunities. The second is a more creative task.

Task One

Using the PowerPoint guide, [SIL Task - Career Planning \(1\) \(1\).pptx](#)

construct a CV appropriate for finding work in the games industry. Following the guide, research potential job opportunities and carry

out a skills audit to assess what you need to do in order to be successful.

Task Two

The faculty of Creative and Digital Technology at New College Pontefract are considering a rebrand and would like your design ideas for potential new logos for the faculty. Use the PowerPoint guide to guide you through the Process. [Faculty Logo Redesign.pptx](#)

To be submitted in the first week back next academic year.
