

6 February 2024

Dear Parents, Carers, and Students

**Revision Evening 2024: Thursday 22 February**

We are approaching the start of our revision campaigns at college, which are designed to support the students in planning their exam preparation.

For students sitting external summer exams, this revision campaign will begin on 19 February, following the half term break. The revision period will include the mock exams in March.

The revision campaign will also include Y12 students in preparation for their Progression Exams which take place between Wednesday 1 May and Wednesday 8 May.

This can be a difficult time for students and also the people supporting them at home. With this in mind, we are pleased to offer the opportunity for you to visit the college on the evening of **Thursday 22 February (6pm-7pm)**, to find out more about effective revision techniques in preparation for forthcoming exams. This will give you a greater understanding of the advice we will be offering to students during revision periods.

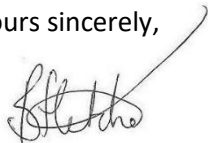

There will be a presentation by senior staff about the science behind how we learn, and the evidence-informed strategies we recommend students use. There will also be advice on the best apps to aid organisation and memory recall. This will be followed by an opportunity for questions and further discussion with the presenters.

Please let us know (by Mon 19 Feb) whether you intend to come along, so that we can plan a suitable venue within the college: <https://forms.office.com/e/W8EHefrny4>

Please can I also take this opportunity to remind you that we have a section on our website dedicated to study advice: <https://ncdoncaster.ac.uk/study-advice/>

We look forward to seeing you!

Yours sincerely,

Brendon Fletcher  
Principal

Ceri Boyle  
Assistant Principal
