

16 April 2024

Dear Parents / Carers

Next Steps Evening for Parents and Carers of Year 12 Students

Throughout the spring term, students were involved in a range of Tutorial sessions regarding their options after New College, and this will continue throughout this term.

After May half-term, students will be in a position to begin their preparations for applications to university, apprenticeships and/or employment for when they have completed their studies with us in Summer 2025.

Therefore, we would like to invite you to attend our Next Steps Information Evening for Parents and Carers of Year 12 students on **Thursday 25th April** between **5.15 and 7.30 pm**.

There will be a range of information talks repeated throughout the evening. These will take place at half-hour intervals from 5.30pm and include:

- What is higher education and why should I consider it?
- How New College supports students applying for university and higher education
- Student finance for higher education
- Types of apprenticeship and labour market information
- How New College supports students applying for apprenticeships or employment

There will also be a university and employer fair in the Sports Hall for you to visit throughout the evening. We're currently expecting over 40 exhibitors from the world of work and higher education, and will share a list of expected attendees ahead of the event.

We would welcome and encourage students to attend with their parents and carers, and look forward to seeing you at the event next week.

If you have any questions or queries, please do not hesitate to contact us on ncd-reception@ncl.ac.uk

Yours faithfully

Daniel Wood
Assistant Principal
