**Fashion & Textiles
Summer Independent Learning**

This work is your opportunity to demonstrate your skill/passion in Fashion & Textiles. Please ensure this is to the best of your ability.

The summer holidays are an important time for you to prepare yourself for starting your new course in September, the following slides consist of what I would like to see from you in September.

TASK ONE

- Create a **Pinterest board** named 'line'
- Follow **ncdtextiles** on Pinterest and find the board 'line' for inspiration
- Pin at least 35 images which inspire you – images must be black and white only, images must link to 'line' in some way
- We will be printing this off when you start college.

TASK TWO

30 drawings on paper no bigger than A6

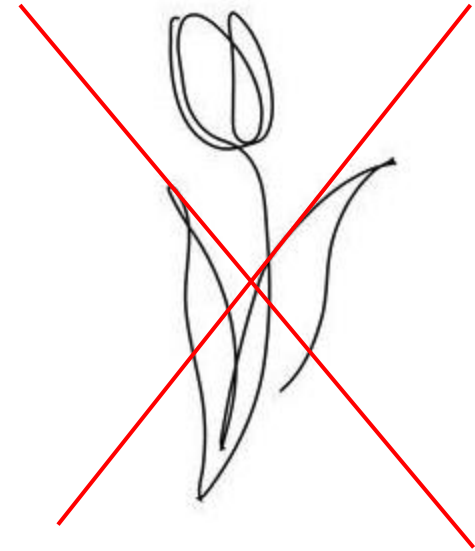

- You will document your summer holiday break through the medium of *line drawing*
- You should use black media only; pencil, biro, fine liner, charcoal, pastel, water colour, ink ect.
- If possible, you could also draw with machine or hand embroidery
- Do not copy from images on Pinterest, draw from real life

Techniques: continuous line (do not take the pen of the paper when drawing), layering, thick and thin lines, overlapping media. Keep the drawings loose and abstract (the weirder the better)

Things to consider drawing: your surroundings, things in your room, objects that are precious to you, plants, still life, people, view from your window, places you visit

ANYTHING CAN BECOME A LINE DRAWING...

Bring your drawings loose into college in a plastic wallet

OPTIONAL TASK

Make at least one sketchbook of your drawings

- You may want to split your drawings into a series of smaller sketchbooks e.g three books of 10 drawings

Sketchbooks to consider: concertina books, stitched together pages, taped together pages, sections which fold out in unusual ways, different types of paper such as envelopes, newspaper, card, tracing paper...

- Examples on Pinterest – *Neutral colours only*

Looking forward to seeing
you in September – have the
best summer!!!!
