Enrichment trips and visits are designed to support both learning and the personal development of students. They provide opportunities to explore a subject in greater depth, beyond the curriculum or within a particular setting, help prepare students for their next steps in education or employment, or develop cultural capital, skills and appreciation of the world around us.

The purpose of the visit is: Skiing and Snow Sports trip to Prato Nevoso, Italy

### Itinerary

The coach will depart from New College Doncaster to take us to our airport, where we will then fly to Turin. Our transfer will then take us approximately 2 hours to the resort of Prato Nevoso and makes for a fantastic week of skiing. All levels are welcome and we encourage students from all areas of college to come and ski or snowboard\* regardless of previous ability (\*the availability for snowboard tuition will be dependent on the number of students selecting this as an option. An additional fee of approx. £40 will apply). It's a great opportunity to either learn to ski or snowboard or to perfect your technique.

Please note that the price of the visit includes the following:

Return UK travel including airport transfers and Air Passenger Duty  
Flights/taxes/hold & cabin bags  
Resort transfers  
6 nights full-board accommodation  
Hot midday meals daily  
Evening entertainment  
5-day ski pass  
5 x 5-hour lessons  
Ski equipment hire including helmets  
Experienced representative in Italy  
Full Travel Insurance

Please confirm your place by providing a **deposit of £275 by Monday 20<sup>th</sup> October 2025**, the terms of our provider also state that when paying the deposit, you are committed to pay a further deposit payment scheduled to be collected by the 1<sup>st</sup> December 2025.

Our annual Ski Enrichment Trip is always hugely popular and we only have approximately 40 spaces available for the visit, it will therefore be on a first come basis and we anticipate it filling up fast with students already expressing a strong interest.

The college reserve the right to refund any deposits if we feel necessary, including students who have poor attendance or where there are concerns in relation to behaviour.

There is an expectation that students have a suitable level of fitness for the trip as it can be quite challenging. Please note that all students are expected to ski/snowboard on all morning and afternoon sessions for the full duration of the trip, unless they have a medical exemption.

The total payment of £1,760 (also non-refundable) is payable to *NCLT* by **1<sup>st</sup> November 2026**.

**Due to changes in the way that the college charges VAT, the Personalised Hoodie for the visit will be charged separately. These will go on sale in October 2026 with an approximate cost of £30.**

**How to pay and secure your place.**

Places can be secured via the online College Shop and all payments will need to be made via the College Shop. **When making a payment, students will be added to a Microsoft Teams Group where they can submit their current ability level, full name (as it appears on their passport) and D.O.B. Sales will go live Tuesday 23<sup>rd</sup> September**

Due to the cost being £1,760 we offer payments in instalments over the forthcoming months. All Payments are **compulsory**, and dates must be adhered to. You can pay more of the balance off early if you would like by the above methods
