

Welcome!

Thank you for taking the time to attend this evening. We hope you find it valuable.

The Careers Fair is in the Sports Hall. Please take advantage of this opportunity to speak to as many providers as possible (there are some suggested questions to help you gain the most out of each encounter).

There will be a number of talks throughout the evening. Each talk will be repeated four times (The Work Experience talk is on twice).

Information Talks

Time	G.03	DANCE STUDIO	G.20	STUDENTS UNION	G.19	G.18
1730	Why Choose HE?	Student Finance	NCD Support for University Applicants	Types of Apprenticeship	NCD Support for Apprenticeship/ Employability Applicants	Work Experience

1830	Why Choose HE?	Student Finance	NCD Support for University Applicants	Types of Apprenticeship	NCD Support for Apprenticeship/ Employability Applicants	Work Experience
1900	Why Choose HE?	Student Finance	NCD Support for University Applicants	Types of Apprenticeship	NCD Support for Apprenticeship/ Employability Applicants	

Why choose HE? This talk introduces the benefits of Higher Education including skill development, career prospects, independence and other aspects of student life.

Student Finance There are many myths about student finance. Find out more about student finance and other money that may be available.

NCD Support for University Applicants Find out more about how college has already supported students with the process and what to expect next.

Types of Apprenticeships This talk introduces the different types of apprenticeships, the application process and local Labour Market information.

NCD Support of Apprenticeship/Employability Applicants Find out more about how college has already supported students with the process and what to expect next.

Work Experience Find out how Work Experience can help strengthen your application and the support college can offer.

Alumni – Meet our ex-students (along Ground Floor corridor) who can talk to you about where the subjects they studied at New College Doncaster have taken them.

University & Employer Fair

Universities

Questions you might want to ask:

- What are the entry requirements for my chosen course?
- What are you looking for in a personal statement?
- Will there be an interview for my chosen course?
- How many hours a week will I be in timetabled lessons?
- Is all delivery face to face?
- What does a typical week for a student at your university look like?
- What do students go on to do after graduating?
- What careers guidance is available?
- Is accommodation guaranteed for First Year students?
- Is all accommodation close to the University?
- What sports and societies are available?

Zero Gravity Mentoring

Double your chances of achieving a top university offer — and the grades to meet it — by connecting with a Zero Gravity mentor once a week.

All Y12 students at New College Doncaster are eligible and will receive:

- A dedicated undergraduate mentor who will assist them with their UCAS application, alongside academic support and general university advice.
- Access to our free Masterclass content aimed at supporting students in their application journeys.
- Access to our exclusive Zero Gravity Community where like-minded Sixth Formers come together to support one another and share ideas, content, and top tips.
