

A woman with voluminous, curly red hair is looking out of the window of a dark-colored car at night. The scene is illuminated by vibrant neon lights in shades of red, orange, and blue, which are reflected on the car's body and the woman's hair. The background is dark, suggesting an urban setting at night.

DIL Week 9 (SIL)

Photoshoots

Complete photoshoots 3 & 4 - there should be a **minimum of 36 photographs** for each shoot complete to the best of your ability, you will be asked to retake them in Yr 13 if they appear rushed.

Broadening Research

Document a gallery visit or a location visit or shoot that will support your ideas generation and the development of your project.

Introduction & Initial Source Gathering

Complete an introduction for your essay, this should be around 600-700 words. Remember to refer back to your Personal Study proposal and what should be included in the essay introduction on the class slides.

Start to find quotes from articles about your topic you are researching and make a word document with links and quotes you want to use in your essay.
